## Driver's Education Program

### Rules/Permission Form

Upcoming classes are listed on the TRHS website at [www.timberlanehs.com/driversed](http://www.timberlanehs.com/driversed). Please consult this list for the dates/times of upcoming classes, and the mandatory parents meeting. Note that most class sizes are limited. Order of registration is determined by postmark or signature verification on the front of the registration form—you will be called as class starting dates approach.

#### **Rules/Regulations:**

1. The State of New Hampshire requires that all students be 16 by the last class session.
2. Students must complete all forms and paperwork prior to registering for the course. These forms verify the student's GPA (minimum 1.5 in the prior quarter), vision (20/40 or better), and health information. Parent signatures are required.
3. Students agree to attend all classes, and be prompt.
4. The State of New Hampshire has a limit of four (4) hours of missed class time. The fifth hour of class time will result in a failing or incomplete grade—no exceptions.
5. Students may miss no more than two classes, and should seek out the instructor for make-up work if a class is missed. A third absence will result in a failing grade and no refund.
6. Students must comply with school rules as outlined in the TRHS *Student Handbook*.
7. Driving lessons are scheduled in advance, and schedules are posted near the front office. Students must notify the instructor of a session they will miss, or pay a driving fee of \$30. Cancellation of driving lessons should be made 24 hours in advance—you will be given contact information for the instructors. If you are absent from school, there will be no fee—Parents: please mention your driving time when calling in the student's absence.
8. Classes and driving may be cancelled due to bad weather or other unforeseen circumstances. If school is cancelled for the day due to weather, so is class and driving time that day. Instructors will detail schedules for other scheduled days off, such as teacher workshop days, elections, etc.
9. All students are required to successfully complete ten (10) hours of driving and six (6) hours of observation with a driver's education instructor.
10. Students must successfully complete the class requirements—your grade.
11. Students must complete and document an additional forty (40) hours of driving time, and submit records for these hours to the state (details will be given in class and at the parent meeting). A minimum of ten of these hours must be at night; defined as thirty minutes after sunset to thirty minutes before sunrise.
12. No student will be given a "green card" (which verifies successful completion of the course to the State Department of Safety) unless all fees have been paid in full, textbooks returned, and all class/driving requirements completed.
13. "Green Cards" will be mailed—please be patient. This process is usually complete within one week of the completion of the course.
14. No food/drinks other than water are allowed in the classrooms.
15. Students arriving more than five (5) minutes late are considered absent.

**Don't forget the next page of this form, and the signatures required!**
