

Timberlane

Regional School District

Summer *Fitness Education* Class

This summer, Timberlane will offer a full half-credit Fitness Education class starting the day after school ends in June. This popular and fun class follows the same curriculum as that offered during the regular school year, just condensed into a more convenient summer time frame, and in a more active format designed for the summer time frame. Class will begin the day after school goes on vacation, Friday June 24. Mr. Pasquini is planning an all-day field trip somewhere into New Hampshire’s White Mountains—either kayaking in Woodstock, or hiking Mt. Morgan or Mt. Percival. Students should come prepared for a mix of classroom and exercise time.

Notes:

- All students should consult with their Guidance Counselor before signing up for this course.
- Cost of the course is \$125. Registration forms are available in the Guidance Office at TRHS.
- See schedule at right for class session dates.
- Class starts at 7am sharp, rain or shine, and ends at 12:30. Bring water bottles and snacks!
- All TRSD buildings are closed on Fridays for the summer, starting July 1. Class will gather outside on the 8th prior to departure on the bus. If class is necessary on the 15th, it will meet at the SAU tennis courts.

- Students may miss a maximum of two classes. Most students save those days for the end of the course.
- There will be an additional fee for the kayaking field trip day. Details TBA, but it is anticipated that charge will be approximately \$30. Scholarships are available—talk to your guidance counselor!
- Students needing summer school for any other subject may NOT take this class due to conflicting course times.
