**Re: Bus 118 – Adding stops at West Side Drive and Millstream off bus 106**

November 21, 2008

Dear Parent,

**Starting Monday, November 24** students living at 42 West Side Drive and Millstream area will be riding bus 118. Because of this change some of the pickup and drop off times for bus 118 may change. Please see the attached route sheet to determine when you should have your student out waiting at the bus stop. These are **approximate times** only and students should be out at least five (5) minutes before scheduled until you can determine the exact arrival time.

It was after much consideration that we felt these changes needed to take place. If your student does not currently ride please keep this information handy in case they will need to. I apologize for any inconvenience this may cause and appreciate your understanding and cooperation. The safety of your children remains our highest priority.

Please contact me if you have any questions.

Sincerely,

Sandra Hodgkins  
Transportation Coordinator
