Guidance Department

October 26, 2011

Dear Parent or Guardian:

Your son or daughter has elected to take one or more of Timberlane Regional High School's Advanced Placement courses this year. You should be very proud of this choice, since AP courses are the most academically rigorous offered by this school.

In essence, AP courses offer college level work and exams for high school students and therein give them a wonderful "head start" on their college experience. Colleges weigh a successfully completed AP course very highly in selecting for admission.

If your son/daughter earns the required grade on an AP exam he or she may receive credit equivalent to a one-year course. Some of the most selective colleges are among the over 1300 institutions that consider acceptable grades on an AP exam as evidence that the student deserves advanced standing in his or her college class.

Each exam requires a fee of \$87.00, which can be mailed to TRHS, Attention Donna Reardon, Guidance Secretary, 36 Greenough Road, Plaistow, NH 03865. **Please make checks payable to TRHS**, and kindly put the student's name in the memo section of the check. For students in financial need, there are a limited number of fee reductions available. Students should contact their guidance counselor prior to the fee deadline for fee reductions and to inquire about installment payments.

The fee deadline is February 1, 2012.

If you have any questions, please do not hesitate to contact your student's guidance counselor.

Sincerely,

A handwritten signature in black ink that reads "Barry Chooljian".

Barry Chooljian,
AP Exam Coordinator
Guidance Department Director
